School Council Enrichment Day

Dear Parent/Carer,

Tomorrow promises to be an exciting day because the school council have organised an enrichment day.

The school council sought the opinions of their peers to see which activities they would like to take part in during the day and then asked their teachers to host some of the activities.

The day will start with the school councillors leading games in their classrooms before the children move to a range of activities.

KS1 and EYFS will spend the rest of the day in their house groups and will complete activities including 'unplugged' computing, arts and crafts, music and games.

KS2 have each selected four activities from a wide range including mindfulness, yoga, mini-beast hunting, various arts and crafts, science experiments, maths problem solving, lego, drama and friendship bracelet making.

We hope the children will enjoy the day and be able to tell you all about it.

Many thanks

Mrs Steel and the school council
