

Park Grove
PRIMARY ACADEMY

4th June 2018

Dear parents/carers,

Park Grove Enterprise Week
Week beginning 18th June 2018

Once again, we are starting to plan our annual enterprise week where we raise money towards ICT equipment for the school. In the last couple of years we have dramatically improved the technology available to the children and this has been with your generous support. Within the last 12 months we have increased the number of Chrome Books we have in school and these are already having a huge impact on learning.

This year we have just purchased a new interactive whiteboard for each classroom which cost £3000 each. These are state of the art and we would now like to raise money to increase the software available on them.

Each class will be asked to come up with a sponsored event of their choice which will take place during Enterprise week. It may be a run, silence, read, dance....

The children will be publicising their own events and creating sponsorship forms which they will bring home later this week.

All profits will be gathered up to make a final total which will then be used to buy ICT equipment.

If parents would like to get involved in addition to helping their children in class, we would welcome any additional fundraising. If parents would like to organise any sponsored events or ask their own places of work to sponsor or support us, we would be most grateful.

We are sure that the children will enjoy the week and we hope that parents will get involved too.

Thank you for your continued support.

Mrs Vicky Hearson
Acting Headteacher
