Grovestock

World Cup

The event will clash with the 3rd place playoff for the World Cup. Since it is unlikely that England will get this far, it was agreed that a big screen in the gym will not be necessary.

Stage

Janet has confirmed lots of acts for the stage. Beri could potentially perform alone without a Chris but Janet will discuss this with her.

Jo Sawyer's uncle could potentially fill a slot. Sophie Humphries also knows of musicians who could support or fill in if necessary.

Alan Leach has said that an outdoor Speed Quiz is a possibility. However, it needs to be decided whether it would work on an outdoor stage. Janet to discuss further with Alan.

Licence

Mark to check online that the licence is still in date. He will amend if necessary.

Stalls

Possibility that Spark stalls might like to attend. Mark emphasised that we should strike a careful balance between stalls that will generate revenues for the PTA and those that are external businesses. Janet wondered if the pocket money stalls needed a bit of a revamp. Ideas suggested: Electrical Buzzer, Splat Malteser and Hook a Duck. These would all be cheap and easy to set up and generate lots of quick custom.

Squads

Janet to send email closer to the time to ask for volunteers to help set up marquee and staff stalls, especially the bar.

Raffle

Raffle tickets to be given out on 1st July. All agreed on format of tickets. Claire to continue asking round for prizes, Clare has secured prizes from Spark Project and Stockeld Park. Possibility that Fifth Quarter might choose to run a promotional charity stall instead of theming the raffle. Janet in discussions with Brian at the Gillygate about this.
