

Park Grove
PRIMARY ACADEMY

7th September 2018

Dear Parent/Carer,

We are writing to let you know about a project in York that we are involved in called The Red Box Project. The aim of the project is to provide schools in York with a red box of sanitary products should girls need them in school or need their sanitary products providing for them. The box is kept stocked through donations from York companies and is organised by the project.

At Park Grove we have decided to continue to support this project and our box is situated in the toilets used by the year 5 and 6 girls. In view of this we have will have a lesson for year 5 and 6 girls on Wednesday 19th September to cover the basics of periods. We intend to use age appropriate materials and will only discuss periods rather than the full puberty talk which will happen in the summer term. We would like the girls to understand periods and know how to manage and find support should they need to at school.

We hope you will support us in this new venture. If you have any questions or concerns, please do not hesitate to contact us.

Best wishes,

h.steel@parkgroveprimary.co.uk (Helen Steel, Acting headteacher)

l.martindale@parkgroveprimary.co.uk (Liz Martindale, Pupil support Team)
