

Park Grove
PRIMARY ACADEMY

17th October 2018

Dear Parents/Carers,

We are writing to inform you that within EYFS and KS1 we will be holding a Topic enrichment day on Friday 26th October and this will be based upon our current topic 'It's a Bugs' Life'.

The children will carry out a range of activities through the day enhancing their understanding of the topic and celebrating the day. These activities will take place across the EYFS/KS1 classrooms and in the Wildlife Area and Outdoor Classroom.

The activities will include; a QR trail, observational art work, imaginative writing and bug baking!

In addition to this we will be celebrating the end of the topic with a 'Bug Ball' in the school hall.

We do hope your children enjoy this enrichment day.

Thank you for your continued support,

The EYFS and KS1 team
