

Park Grove
PRIMARY ACADEMY

28th November 2018

Dear Parents and Carers,

Multi-cultural Enrichment Day

On Friday the 7th of December we will spend the day raising the children's awareness of the multicultural society in which we live. We be discussing a range of topics including languages, religions, celebrations and the location of countries on maps.

Alongside classroom activities we will have visitors to school to tell us how Christmas is celebrated in different cultures and to explain about work done by Project Mala.

We would love it if any parents or carers could also share some of their knowledge of cultures and religions with the children. Could you teach the children to say 'hello' in a different language? Could you explain some aspect of your religion to the children? Do you have photos of a different country you could share? Could you show the children artefacts, food or clothing to demonstrate information about a culture or religion? You might want to share this with the whole class, a small group or simply explain your knowledge to the class teacher so they can share it on your behalf. If you can help in any way, no matter how small, please contact myself or your child's class teacher.

Yours sincerely,

Best wishes

Helen Steel

Assistant headteacher
