Dear Parents/Carers,

Class 7 would like to invite you to their class assembly which is all about scientific forces. It will take place on Tuesday 26th March 2019 and will begin at 9 am. The assembly should last about half an hour. If possible, the children will need to be at school earlier that morning at 8:30 am so that they have time to prepare for their performance.

The class will be preparing and practising the assembly at school, although there may be a few lines to learn at home (these will be sent in due course). All of the class will be involved and will have a part within the assembly. We would all love to see you there if you can make it!

Please complete the slip below to inform us if you are able to come.

Kind regards,

Mrs Canham and all of Class 7
