Animals In-tuition Workshop

10th January 2020

Dear Parents/Carers,

As you are aware, this half term the topic focus for EYFS and KS1 is 'In the Jungle'. The children's learning will be all be based around this subject.

Each half term we have a topic ignition day and this half term we are fortunate enough to have a visit from a company called Animals In-tuition on Tuesday 14th January.

Animals In-tuition are a company that specialise in a wide variety of animals and their habitats. They will be bringing a range of animals into school for the children to look at, learn about, and for those who are brave enough, hold! For further information you can have a look at their website <http://www.animalsintuition.co.uk/>

This has very kindly been funded by the PTA so many thanks to them for this experience.

If you have any questions or concerns about the day then please do not hesitate to contact us.

Regards,

The EYFS and KS1 team.
