Coronavirus - Urgent Action Needed

Dear Parents,

The government have now sent updated information about which jobs qualify as key workers. You will have received an email about this from Ebor Academy Trust.

We now need to know if you think you qualify as a key worker and if you need childcare.

Please note that the school has a duty to keep numbers as low as possible in order to keep the children safe.

If you are a key worker but can still have your children at home, please do not send them to school.

Please note that we can only provide childcare for you for the days that you are actually at work. If you work part time you must keep your children at home on the days that you do not work.

All childcare must be prearranged with the school on a week by week basis so that we know your working patterns and which days you will absolutely need children to be in.

Urgent: You cannot bring children to school unless it is prearranged and they are on our register.

Even if we have already contacted you about this All Parents must complete the google form – ONLY IF YOU REQUIRE CHILDCARE.

Do not complete the form if you are intending to keep children at home.

A new form will go out each week for the following weeks childcare because parents working patterns may change.

Please contact the school if you need any help with this.

Kind regards,

Jo Sawyer
Headteacher
j.sawyer@ebor.academy
