Fun Run – 4th May 2021

Dear Parents/Carers,

As you know, every year we have a fundraising event in school. Unfortunately, we had to miss it in 2020 due to Lockdown. This year we will be raising money to improve our school field. Mr Stoner has a very specific project in mind. He wants to build a small fence that will run the length of the field and will match our current 'Urban Buzz Garden'. He will then plant trees and plants along the field behind the fence. He has already secured some sponsorship from The John Lally International Foundation to help towards the plants. 'Good Gym' are also helping him to build the fence.

As with all of Mr Stoner's project ideas, the end result will really improve the look and feel of our already beautiful school. The children will also benefit from being able to look at and learn about the plants, trees and flowers in their Science lessons.

Any remaining money raised will be spent on playground equipment for the children to play with at break and lunchtimes.

Our special fund raising event for 2021 is going to be a Fun Run. This will be in the style of the Whacky Races – with obstacles and dressing up. The children can dress in any costume they like 'the wackier the better'.

The plan is that children collect sponsorship for the number of times they can run around the course. Sponsors can choose to give a maximum amount instead if they prefer. Sponsor forms can be found at the back of this letter so that the children can start collecting sponsorship as soon as possible.

There will be prizes for the child in each class who raises the most money and for the child who makes the most effort on the day (this can include costumes, running technique etc). There will also be a small prize for every child who takes part.

This will be a really enjoyable and fun event for the children to take part in. Our Fun Run will take place on **Tuesday 4th May**.

Kind regards,

Miss Sawyer

EBOR ACADEMY TRUST

I am raising money for my School to buy plants, trees and flowers for our school field and also playground equipment to play with. Please sponsor me to run as many times as I can around the track. If you prefer, you can just sponsor me a maximum amount instead. Thank you.

Name

Class

The total number of times I ran around the track was:
(To be completed on 4th May 2021.)
