**Drama Workshops
Mud Pie Arts**

Dear Parents/Carers,

After half term we are going to be igniting our topics through some drama workshops with Mud Pie Arts.

In Key stage 1 and Early Years the children will be going on an adventure looking for Wonders of the World.

In Key stage 2 the drama will be based around our topic of the Olympics and The ancient Greeks. Classes 7, 8 and 9 will be looking at Pandora's Box and Classes 5 and 6 at Theseus and the Minotaur.

We have worked with Mud Pie Arts before and know these workshops will really excite the children and be a great start to our topic work. All workshops will take place in the first week back.

There is no cost for these workshops as the PTA have kindly funded them for all children.

We would like to take the opportunity to thank the PTA for all their hard work raising funds to support our children.

Yours sincerely,

Vicky Hearson

Deputy Head and SENCO
