**Park Grove Primary Academy
Sex and Relationships Education**

Dear Parents/Carers,

From September 2021, all primary schools are required by the government to teach Relationships and Health Education.

Relationships Education is designed to help children to have positive and safe relationships with family, friends and online.

Health Education will help children to make good decisions about their health and wellbeing and enable them to know how to seek support if any health issues arise for themselves or others.

At Park Grove Primary Academy, we have been delivering Relationships and Health Education within our Personal, Social, Health and Economic (PSHE) curriculum for many years. We have reviewed our PSHE curriculum to make sure that our lessons meet the requirements that the government has set out for the content of Relationships and Health Education.

We have also updated our Relationships and Sex Education policy to reflect the new statutory status for Relationships Education, and we are inviting parents to consider this policy before it is finalised.

If you have any comments or questions about the policy, please email these to v.hearson@ebor.academy by **Monday 21st June 2021**. We will consider all comments and queries received.

Yours sincerely,

Vicky Hearson
Deputy Head and SENCO
