

2nd December 2021

Dear Parents/Carers,

Your child will be bringing home tickets for the Nativity tonight, as requested through the google form on the letter sent out last week. Following advice from Ebor and because of the new Covid variant, we have a reduced capacity in the hall so have only been able to allocate 2 tickets per child. We realise this is disappointing for other family members wishing to watch but we need to put safety first and hope you understand.

In addition, please can we ask everyone wears a face mask throughout the performance, unless exempt, and sanitize hands upon entry. We also ask that you take a lateral flow test and if positive or if you display any symptoms of covid, please not attend.

At the end of the evening performance please could all parents/carers leave via the front entrance and wait outside the usual exit doors for their class and we will pass the children back to you in the same way we do at home time. This is to avoid additional mixing and congregating indoors.

As with all performances, please only take photographs of your own child as due to safeguarding reasons we have some children who cannot have their photos on social media.

We are very excited to be performing again and would like all children to attend both performances. If your child is unable to make it to the evening performance, please let your class teacher know as soon as possible. We are aware KOOSH have a trip that evening but we have checked and we will be finished in plenty of time for this not to clash.

Thank you for your continued support.

Your sincerely

Vicky Hearson
