Dear Parents/Carers,

Many children are talking about the situation in Ukraine and we want to address this in school to ensure they have the correct facts in an age appropriate way, and that they feel reassured and able to voice any worries and concerns.

We will be using the following clip from Newsround in Key Stage 2 classes as a starting point.

In Key Stage 1 and Early Years we will not show the clip but will answer questions as they arise. You may wish to watch it with your child at home if you feel this is appropriate.

We know this is a very unsettling and worrying time and if you or your child is affected in any way please do not hesitate to contact school.

Yours sincerely
