

26th April 2022

Green Class fundraising for Ukraine

Dear Parents/Carers,

On Thursday 5th of May, Green Class will be completing a Sponsored Singathon as well as completing other musical activities throughout the day. We have chosen this as we know that music can lift our spirits in challenging times and we felt this was a fitting activity to choose for Enterprise Week.

We have selected lots of our favourite songs that we'd like to sing, for example: How Far I'll Go, We Will Rock You, The Greatest Showman and much more! We felt it was important that we chose the songs so the day is unique to us and the songs that make us happy. As well as singing songs, we will be playing different music games, using instruments, dancing and composing our own music too.

We hope that our musical day will fill us with joy and bring us together as a class to support a very worthwhile cause. Please sponsor us so we can raise lots of money; every penny counts towards assisting Ukraine through this crisis.

Best wishes,

Green Class
