

26<sup>th</sup> April 2022

Dear Parents/Carers of Indigo Class,

You will be aware about the events happening in the Ukraine. As a class, we are very keen to help.

Each of the classes have chosen a different activity in order to raise money for Ukraine. We are thrilled to announce that Indigo Class has decided to do a sponsored skip. The skip will take place on Wednesday 6th May either outside or in the gym, considering the weather that day. Please ensure suitable clothing and footwear is worn.

We appreciate your support no matter what and don't mind any sum you can give - big or small. It would be the perfect opportunity for someone in Ukraine to be put into better care.

Yours truly,  
Indigo Class
