

26th April 2022

Magenta fundraising for Ukraine

Dear Parents/Carers,

During the afternoon of Thursday 5th of May, Magenta Class will complete a flag shaped sponsored run on the school field. We are running to raise money for the Ukrainian people - who are in need and don't have the same luxuries as us.

The distance to run from York to Kyiv is 2412km and our goal is a scaled representation of this - 2412m. We will run in relay teams completing laps of the school field so please sponsor us per lap or a set amount for taking part.

We will take it in turns to run our course around the flag shaped field - two parallel rectangular tracks. We will wear blue and yellow clothing (if available) and a yellow or blue PE bib depending on which half of the track we run around.

Please sponsor us so we can raise lots of money for this worthwhile cause - every individual penny counts towards assisting Ukraine through this crisis.

Best wishes,

Magenta Class
