History Workshops in school - Tuesday 3rd May

Dear Parents/Carers,

Our topic next half term is 'We Will Rock You' - A study of the changes in Britain from the Stone Age to the Iron Age.

As an ignition to this topic we are excited to welcome two subject specialists from the Murton Park team into school to lead an immersive session to our children. The staff from Murton Park will visit in full costume for the time period and lead presentations which link specifically to the Primary History curriculum. The lively and interesting talk will include replica artefacts and prompts with opportunities for questions and answers about life in the Stone Age and Bronze age throughout.

The presentations will take place within school and will be split into two sessions; am and pm. There is a cost for the sessions which works out at around £4 per child. Your wonderful PTA have offered to make a contribution towards this session for the children, therefore we are asking for a contribution of **£2 per child**. This will be payable via Parent Pay, this experience will be entirely funded for any child in receipt of free school meals.

This session will provide the children with some great insight as to what life was like in the Stone Age and beyond and will hopefully inspire them throughout the topic.

Kind regards,

Mrs Martin and the Key Stage 2 Team
