

26th April 2022

Turquoise fundraising for Ukraine

Dear Parents/Carers,

In Turquoise Class, on **Thursday 5th May 2022**, we will be completing a sponsored hula-hoop. All money raised will be donated to the people of Ukraine during this difficult time.

The distance from York, England to Kyiv, Ukraine is 2,412km. Each kilometre from York to Kyiv will be equivalent to one rotation (360 degrees) of the hula hoop. As a class, we will complete the 2,412 hula hoops at different intervals in the day. Each pupil in our class will complete approximately 81 hula hoops!

To show our support for Ukraine, if possible, we also ask that pupils in Turquoise Class wear the colours of the Ukrainian flag, yellow and blue.

Please sponsor us so that we raise money for the people in need of support in Ukraine. Each and every donation, no matter how big or small, will go towards assisting the citizens of Ukraine during this crisis.

Thank you!

Turquoise Class
