

8th April 2022

Dear Parents/Carers of Year 1 children,

We would like to invite you to join us for a Phonics 'Stay and Learn' session. You will have the opportunity to watch a phonics lesson take place in school. This will give you further insight into what phonics is and how it is taught; it will also enable you to further support your child and consolidate their phonics learning.

The sessions are for parents of children in Year 1 who will undertake the phonics screening check in June. The children are currently working within phase 5, so you will see how new phonemes are taught and introduced to the children as well as how we revise those phonemes which have previously been taught in this phase and others. You will also see some of the resources we use, to consolidate understanding.

The dates for the sessions will be the same for Yellow, Green and Blue classes, but please note the Year 1 children from Blue Class and Green Class have phonics together in Green Classroom with Mrs Bell.

Please only sign up for 1 session. Please contact your child's teacher via Bloomz if you wish to attend with your preferred date. If we get oversubscribed we will add additional dates. We hope to see as many parents as possible, especially anyone who was unable to attend in the autumn.

Tuesday 26th April 8.55-9.20am

Tuesday 3rd May 8.55-9.20am

Tuesday 10th May 8.55-9.20am

We hope you enjoy the session, and the chance to gain this insight into your child's learning. If you have any questions regarding these sessions please let us know.

Thank you,

Mrs Hearson and the KS1 Team
