Picnic Food arrangements

We are very excited about our Jubilee Celebrations on Thursday 26th May and especially our whole school picnic!

Please could all the children bring in picnic food on the morning of the 26th May. Please choose one category from the list and drop off in your child's classroom. All food will then be stored (refrigerated if needed) then redistributed between classes for the afternoon picnic.

We will ensure children who are vegetarian have a selection.

If your child has an allergy and specific requirements please speak to your class teacher so we can ensure everyone has lots of lovely things to eat!

- Cakes (individual portions not whole cakes please e.g. cupcakes)
- Biscuits
- Crisps
- Savouries - sandwiches, sausages, sausage rolls etc
- Veg sticks
- Breadsticks

All we need now is some sunshine!

Yours sincerely
