

What can I do to help my child?

- Encourage them to read as often as possible
- Help them practise their spellings
- Ensure they wear appropriate clothing on PE days and have spare clothes and a water bottle daily
- Ask your child what they have been learning
- Give them opportunities to visit the library or websites to 'read around' the topic and gather information of interest to them

Key dates

9th June - Class photos
14th June - Travelling School Book Fair
28th and 29th June - Year 6 Play

If you have any queries or problems that you need to discuss, please do not hesitate to contact any of the staff via Bloomz.

Key Stage 2 Summer 2 Topic 2022

Our topic this term is:
Cricket and Cheese

Homework (optional)

Your child is able to access our online platforms (Reading Eggspress, Reading Plus, Mathletics and, TTRockstars) if they wish to practise reading and maths skills at home. This is no longer set by school but is available for you to use as appropriate for you and your child.

If you wish to do other activities to support learning we recommend reading with and to your child regularly and below are a list of suggested activities you can dip into.

| Topic |
|---|
| <ul style="list-style-type: none">Using an atlas or the Internet, find the names of the world's longest 10 riversWork with a friend to make a 3D landscape model of a river. It must include at least 4 features found on the river.Write a leaflet that helps people understand the importance of saving waterMake a comic strip of the water cycle with a water droplet as your main character.Try some local cheese and/or regional delicacies such as a Cornish Pasty!Watch a game of cricket!Learn the rules of cricket.Take a walk along the Foss with an adult and talk about what you see. |

Time will be given in class for the children to talk about what they have found out and for them to share work they have completed.

For each topic we will have an 'ignition event' to inspire and immerse the children into the topic. Topics will end with a celebration to bring together and share the work we have completed.

Topic Ignition – Fieldwork study of rivers

Topic Celebration – Tour around the counties and food tasting!

As part of our topic and Creative Curriculum learning this half term, we will be...

- Playing cricket in PE.
- Carrying out geography field work.
- Reading traditional tales from different regions of the country
- Learning about habitats and animals (including humans).
- Listening to and appraising folk music.
- Exploring and analysing data from different counties and sources.
- Exploring the food of different regions of England and France.
- Learning about England's 48 counties.
