Information for Parents

Results – July 2022

Early Years Foundation Stage (EYFS)

When children enter school in Reception at Park Grove Primary School, they are assessed against different criteria. This forms what is known as the 'Baseline' assessment result. As the year progresses, the teachers continuously assess to see what each child can do. At the end of the Reception year, the children are assessed again to see if they have met the expected criteria set out in the EYFS framework. This is a statutory assessment and is called the EYFS Profile.

Each area of learning has an expected level which the children should reach, which is known as an Early Learning Goal (ELG). A child who achieves the expected Early Learning Goal across a range of areas will be assessed as achieving a GLD (Good Level of Development) by the end of the year. Schools aim to ensure that as many children as possible reach a Good Level of Development. However, if children do not achieve GLD it does not mean they have not made progress, it simply means that they have not quite achieved the goal in one or more aspects of learning.

Good Level of Development results

Reception	Park Grove 2018	National result 2018	Park Grove 2019	National 2019	2020 2021	Park Grove 2022	National result 2022
Good Level of Development	73%	72%	74%	72%	No results due to COVID	74%	65%

Year One Phonics Screening Check

Every year, in June, the Year One children are given a Phonics Screening Check. This is a statutory check to assess whether they have met the standard that is expected for a Year One child in phonics. The children are assessed in a 1-1 environment with their teacher to determine whether they are able to 'sound out' words by using the skills they have learnt in their phonics lessons throughout the year. If the children do not meet the required standard at the end of Year One, they are assessed again in Year Two.

Year One Phonics Screening Result

Year One	Park Grove 2018	National 2018	Park Grove 2019	National 2019	2020 2021	Park Grove 2022	National result 2022
Phonics Screening Check	82%	83%	95%	82%	No results due to COVID	90%	75%

Key Stage One (KS1)

Children are assessed at the end of Key Stage 1 (Year 2) using Teacher Assessment evidence. Tests are also used to help form the teachers' judgements.

READING	2018 Park Grove Results	2018 National Results	2019 Park Grove Results	2019 National Results	2020 2021	Park Grove 2022	National result 2022

Working at Greater depth	14%	22%	23%	22%		19%	15%

Key Stage Two (KS2)

When children reach the end of Year Six, they are assessed using KS2 Statutory Tests and Teacher Assessments. These assessments demonstrate the progress that the children have made during their time at primary school. Tests are taken for Reading, Maths and Grammar, Punctuation and Spelling (GPS). Writing is assessed using Teacher Assessment only.

	Park Grove 2018	National 2018	Park Grove 2019	National 2019	2020 2021	Park Grove 2022	National result 2022
Mathematics (Test)	62%	76%	73%	79%	No results due to COVID	76%	71%

Key Stage Two Progress

Progress is measured using a value-added method. Each child's Key Stage 2 result is compared to all other children nationally who had the same result at Key stage 1. Children who make on average the same progress as others nationally are given a progress rating of zero. If a child has made above average progress, this will be a positive score, and less than average will be a negative score. Any amount of progress a pupil makes contributes towards the school's overall progress score. Progress is only reported as a school, not for individual pupils.

	Progress Park Grove 2018	Progress Park Grove 2019	Progress Park Grove 2022	National average progress score
Reading	2.7	2.7	1.1	0
Writing	-2.7	-0.1	-0.8	0
Maths	-0.9	-0.4	-0.9	0
