MESSAGE FROM MISS SAWYER

It has been a busy week, as always, at Park Grove. The children have worked very hard at following the new lunchtime rules and have made great progress with earning back their previous rewards such as music to dance to in the playground. We are really hoping that they keep up the good work and continue to show us how grown up and sensible they can be.

It was wonderful to see so many of you at our Reception/Y1 reading meeting this week. The children are excited to take home our new reading scheme books to share with you. We have seen great results in class with these books and the extra practice at home will make all the difference. If you couldn't make the meeting, please read the slides that have been sent home.

We put all of our highlights from school life on our Twitter feed and we now have over 1000 followers. We are very keen to increase our number to 2000 in order to put Park Grove on the map. Please give us a follow at @ParkGroveSchool and encourage your friends and family to do the same. The children are so proud of their work and achievements and we love to show them off!

Chinese New Year and World Religion Day

In school, we acknowledge the celebrations and religious festivals from different cultures around the world. This week, the children have had an assembly about World Religion Day (15th January) where we celebrated the rich diversity both within our own school and beyond. On Sunday many people across the world will also be celebrating Chinese New Year - year of the Rabbit. In our diverse society, school plays a crucial part in helping our children develop understanding and acceptance of different beliefs and points of view.
