MESSAGE FROM MISS SAWYER

This week, I have been busy, visiting classes and watching the children at work. This is one of the highlights of my job because I get to chat to the children and ask them about their learning. I am always surprised and delighted by the knowledge that the children have about the subjects they are taught. Some children take this further and extend their own learning at home and bring this into school. The teachers love it when the children show initiative and pride in their learning.

We have some changes with the scheduling of the Total Sports coaches for after half term. Some of the coaches will no longer be working with us and we will be asking Mrs Gray to step in on a temporary basis. Mrs Gray is a highly experienced teacher who I am sure you all know because she has worked with all classes at Park Grove for many years. She knows the children well and is aware of any specific needs or worries that the children have. Total Sports will still be working with us in different classes. The children will continue to get their PE lessons on their usual days.

I wish you all a really happy half term break with your children and we will see you all again on 20th February.

Working with our local Police Force

As part of our PSHE lessons this week we had a visit from three local PSCOs. They did a presentation with Upper Key Stage two on Anti Social behaviour and the children had the opportunity to ask lots of questions.
