

10th March 2023

Dear Parents/Carers,

The Sustrans Big Walk and Wheel 2023 will take place between Monday 20th March and Friday 31st March 2023.

The Big Walk and Wheel challenge runs for ten days. On each day of the challenge, we will record the number of pupils who walk, cycle and scoot to school. The goal of the challenge is to encourage children to be more active and to raise awareness of the health benefits of walking, cycling and scooting to school.

To add further excitement to the week, a golden lock will be placed on one bike or scooter every day for the first five days (20th-24th). If your child discovers the lock on their bike or scooter at the end of the school day, they need to collect the key from the main office to unlock their bike, where they will receive a golden ticket. To give all children the opportunity to win, we will also be randomly choosing a child who has walked each of the five days to receive a golden ticket.

The golden ticket holders will be presented with a prize in the Singing assembly on Wednesday 29th March 2023.

If you are able to, please encourage your children to participate in Big Walk and Wheel week so they have an opportunity to receive a golden ticket and join in all the fun.

Thank you,

Laura Drake
