MESSAGE FROM MISS SAWYER

What a great day it has been today. Thank you so much to the PTA for organising and funding our coronation breakfast. It was a lovely event and great to see so many parents joining us. This afternoon, we are taking four children to the Novotel to present to the regional Rotary Club group. It is wonderful that our older children have the confidence to present to a large group of adults. They will be talking about our work on improving children's mental health at Park Grove. To find out more about our bathroom / mental health project, please take a look at our Twitter page: @ParkGroveSchool.

Have a relaxing bank holiday weekend and we will see you on Tuesday 9th May.

Year 6 SATS

Next week our Year 6s will be taking their 'SATs'. They have worked incredibly hard for these and we want them to see it as an opportunity to show how much they have learnt and just do their best. We know some children will worry about these so we wanted to share some tips to help them.

- Try to do something fun over the weekend. Get outdoors if you can and try to minimise technology and social media.
- Get plenty of rest and go to bed nice and early.
- Reassure them that, although the tests are important, they are nothing to worry about and only a small part of their education.
- Make time for your child to talk to you about them if they want to.
- Try to get some fresh air and exercise.
- Come along to the SATs breakfast each morning to start each day in a fun and relaxed way.

DATES FOR YOUR DIARY
