

6th June 2023

Dear Parents/Carers,

**Park Grove Enterprise Week
26th June**

Once again, we are starting to plan our annual enterprise week where we raise money towards ICT equipment for the school. In the last few years we have dramatically improved the technology available to the children and this has been with your generous support.

Each class will be asked to come up with one business (fundraising) idea. Ideas might include a sponsored event, a bake sale, a car wash, a performance with ticket sales (the list is endless). This year the Pupil Parliament will be helping classes with generating ideas.

During the Enterprise Week, each class will go ahead with their idea and classes will aim to make a profit. At the end of the week, the classes in EYFS/KS1 and KS2 that return the most profit will win back their original float of £50 to spend on whatever they choose.

All profits will be gathered up to make a final total which will then be used to buy ICT equipment.

If parents would like to get involved in addition to helping their children in class, we would welcome any additional fundraising. If parents would like to organise any sponsored events or ask their own places of work to sponsor or support us, we would be most grateful. Any ideas for raising money towards updating our ICT will be highly appreciated.

We are sure that the children will enjoy the week and we hope that parents will get involved too.

Thank you for your continued support.

Miss Jo Sawyer
