MESSAGE FROM MISS SAWYER

It's been a very busy week at school. The Year One children have been having their phonics screening checks which is a test that the government gives all Year One children in the country at this time of year. We have been very impressed with the children this year and feel that our new way of teaching phonics has really helped them. Parents, it's so important to continue reading the children's reading books with them as much as possible at home - we are seeing great progress!

The Year Four children have also been having a Timestable Check this week - another test set by the government. Again, we have been so impressed with the children's resilience and determination to do well.

Well done to all of our children for continuing to work so hard - even with such hot weather!

Sleep

There is a lot going on at this time of year and it can be a tiring time for children. We all need to sleep well to help our bodies recover from the day. Here are a few top tips for getting better sleep:

- Establish a regular, relaxing bedtime routine that lets you unwind and sends a signal to your brain that it's time to sleep.
- Create a restful environment: bedrooms that are dark, cool and quiet are generally easier to fall asleep and stay asleep in.
- Try to go to sleep and wake up at the same time each day. Exercise regularly but avoid vigorous exercise near bedtime if it affects your sleep.
- Avoid using screens in the evening, including on smartphones and tablets. The light from the screen can have a negative effect on sleep, and social media, news and games can all stimulate your brain and make you feel anxious.
- Write down your worries if you lie awake worrying about tomorrow. This can help put your mind at rest.

One week ago today our Y6s started working on their play: Mystery of Boggle Moor! It was a fantastic production that the Y6s perfected in only two days under the guidance of Jenna @Mudpiearts - we're so proud of all them all! 🌟🌟 #ParkGroveYear6 @eboractrust
