

14th September 2023

Dear Parents/Carers of Key Stage 2 children,

We really hope the children enjoyed the educational visit to the Jorvik Viking centre, which took place on Monday 11th September.

The trip was an excellent ignition to our new 'Invasion' topic, and meant we could really utilise York's rich historic links with the Vikings to give the children an excellent knowledge base to build upon throughout the topic.

As the trip was an ignition for their new topic we were keen to take the children as soon as possible in the new school term. We are aware that unfortunately this may not have given parents much time to contribute to the trip.

We would like to ask that if you didn't get a chance to contribute prior to the trip, that you log onto Parent Pay (parentpay.com) to give the heavily discounted fee of £4 per child. Alternatively, cash can be brought into the office.

At this point, we have not received contributions for over 25% of the Key Stage. Any money not collected will have to be subsidised by the school - the cost implications of this will possibly leave us unable to take the children on any future trips this school year, which would be really disappointing.

We appreciate your support, as always and hope you are able to contribute.

Kind regards,

The Key Stage 2 Team
