MESSAGE FROM MISS SAWYER

As we know, ensuring that children are well-nourished is an essential aspect of their overall development. We understand that some families may face financial challenges at the moment, and we want to make sure that every child has access to a nutritious meal during the school day.

To find out if your child is eligible for free school meals, please read the attached letter for more information. It's so easy for us to make this check for you. All you need to do is [complete this form](#) with your name, NI number and your date of birth.

Even if your child prefers to bring a packed lunch or is in the early years of their education, we still encourage you to check their eligibility. This is because your child may be eligible for additional support that can directly benefit their learning, such as the Pupil Premium. The Pupil Premium provides additional funding to schools, enabling us to enhance educational resources and offer extra support where needed. At PG we also use this money to help fund all trips for children who meet the criteria.

Finally, I would like to emphasise that if your circumstances change, it is crucial to notify the school immediately. This will allow us to update records promptly and ensure your child continues to receive the necessary support. We are here to help, especially in this cost of living crisis, and we will always do so with complete confidentiality for you and your child.

**WORLD'S BIGGEST
COFFEE
MORNING**

MACMILLAN
CANCER SUPPORT

Thank you for all the lovely cakes which were donated for our Macmillan coffee morning this week. We had a lovely morning with lots of parents popping in for a cuppa and the children all loved their cakes at playtime. We raised £275 for this fantastic cause. Thank you!
