

Weekly Newsletter

9th February 2024

MESSAGE FROM MISS SAWYER

I hope this newsletter finds you well at the end of what has been a very busy half term. Firstly, I would like to express my heartfelt thanks for your continued support throughout these past few weeks.

Unfortunately, I will once again be absent from school after the break. I will have, by then, undergone a much-needed operation and will require some time for recovery. I apologise for any inconvenience this may cause and assure you that the utmost care has been taken to ensure a smooth transition during my absence. Please direct any queries or concerns to the Deputy Headteachers, Mrs Hearson and Mrs Martin, who will be more than happy to assist you.

With the half term break now upon us, I encourage you to make the most of this opportunity to spend quality time with your children. Engage in activities that not only provide them with entertainment but also stimulate their learning and development. Reading books together, exploring local museums, or embarking on nature walks are just a few examples of the wonderful learning opportunities available to you during this time. We are so lucky in York to have so many great things to do at our fingertips.

We will keep you informed of any updates regarding my return to school. Until then, I wish you all a fantastic half term break filled with fun and happy times.

Yorwaste came into school to talk to the children about recycling and what happens to all our waste. Did you know most waste is now burnt to create electricity rather than going to landfill?

It is still better to not create waste in the first place and follow the 3 Rs: Reduce, Reuse, Recycle. We now have our own clothing bin next to the bike shed. If you have clothing and shoes you no longer need then why not donate them to be reused and also raise some money for school.
