MESSAGE FROM MISS SAWYER

At Park Grove, we firmly believe that regular school attendance plays a vital role in your child's educational journey. When children attend school consistently, they maximise their learning opportunities and develop essential skills that are crucial for future success. Good attendance also helps to foster a sense of routine and discipline which can greatly benefit your child's overall wellbeing.

To encourage and reward excellent attendance, we will be, once again, running our attendance raffle at the end of this term. We are pleased to announce that the prizes for this term will include a £50 'One 4 All' gift card (for more information, please visit: <https://www.one4all.com/retailer.html?p=1>) and a selection of Easter eggs.

To be eligible for the attendance raffle, children must be present at school every day and arrive on time. We understand that there may be unavoidable circumstances that occasionally prevent your child from attending school. However, we kindly request that non-urgent appointments, such as routine medical check-ups, are scheduled outside of school hours whenever possible. By doing so, we can collectively ensure that the children do not miss out on valuable learning opportunities.

Each school day, upon arrival, the children will receive a raffle ticket which will serve as their entry into the attendance raffle. The more days your child is present, the greater the chance of winning one of the fantastic prizes on offer.

CHILDREN'S MENTAL HEALTH WEEK: 5-11TH FEBRUARY 2024.

Children's Mental Health Week: 5-11th February 2024.

The theme this year is 'My Voice Matters'.

My Voice Matters is about empowering children and young people by providing them with the tools they need to express themselves. The following leaflet has some top tips for families to help children talk about how they feel. We will be doing some assemblies in school to help children understand why talking is so important.
