A MESSAGE FROM MISS SAWYER

I wanted to provide you with an update on our efforts to address the issue of racist language being used within our school.

As you may know, we have been working diligently to tackle this unacceptable behaviour, and I am pleased to inform you that some of our Year 6 students have taken it upon themselves to lead assemblies for both KS1 and KS2. They will be sharing their personal experiences of facing racist language and discussing the importance of inclusion.

Our young ambassadors are truly inspirational, and their passion for educating their peers on this crucial topic is commendable. We believe that hearing directly from children who have been affected by these issues will have a powerful impact on promoting understanding and empathy among our school community.

We are incredibly proud of our pupils' initiative and courage in speaking out against racism, and we are eagerly anticipating their upcoming assemblies. We believe that these events will not only raise awareness but also foster a culture of respect and acceptance within our school.

FILTERING AND MONITORING SYSTEM - SAFEGUARDING

We have upgraded our filtering and monitoring system in school so we now get alerts if a child tries to access something inappropriate online.

This is part of our safeguarding procedures and will pick up key words, then send a message to our safeguarding team. When we receive an alert we will first of all speak to the child to get the context around the search, then contact parents/carers if we have any concerns.

Please get in touch if you have any questions or concerns.

DATES FOR YOUR DIARY

- Monday 6th May: May Day Bank Holiday
- Monday 13th May: KS2 SATs start
- Friday 24th May: Break up for half term
- Monday 3rd June: School opens for Summer Term 2
