A MESSAGE FROM MISS SAWYER

I am immensely proud to inform you that the Y6 children showed great resilience and determination throughout their SATS week. They all worked incredibly hard. Please convey our congratulations to your children for their commitment and hard work.

In addition, Key Stage 1 children also undertook some tests this week. The children approached the tests with positivity and demonstrated their readiness to tackle challenges.

To celebrate the hard work and dedication of our Year 6 children and staff, we organised a special treat today - a cooked breakfast for all Year 6 students and staff members. It was a lovely way to recognise their efforts and to come together as a school community.

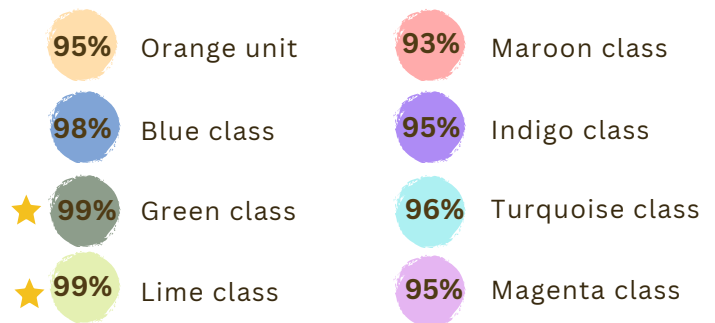

As teachers, we are so proud of all the children for their achievements and positive attitudes throughout the assessments. The support they have received from you, as parents, has undoubtedly played a significant role in their ability to tackle the assessments. Thank you for all your help and encouragement.

Thank you once again for your continued support and partnership in your child's education.

VISITING YORK LIBRARY

This week our Early Years and Key Stage 1 children went to visit the Library. They all had a really enjoyable trip (despite Tuesday's downpour) and spent time looking at books, singing songs and learning about the library. It is free to visit and children can borrow books for free.

We very much value learning outside the classroom at Park Grove and try to make use of the local area to enhance learning. We can't wait for our whole school trip to the Seaside in June!

 Orange Unit had a fantastic time at York Library this morning looking at books linking to their topic, 'What a Wonderful World'. It was also a great opportunity to take in some sights as they walked through sunny York. A lovely morning had by all! 🌞 #ParkGroveOrangeUnit
