## A MESSAGE FROM MISS SAWYER

As I write this, we are all looking forward to the beach trip that the whole school is about to embark on. It promises to be an exciting and educational experience for all the children. They will have the opportunity to explore the beach environment, engage in various activities, and create lasting memories with their friends.

This week, the children enjoyed a fun skipping school session where they learned different skipping skills in preparation for our upcoming sponsored skip event. The enthusiasm and participation shown by the children (and staff!) was fantastic, and we look forward to seeing them showcase their skills during the event.

On a different note, today marks the start of Miss Ford's maternity leave. We want to take this opportunity to wish her all the best as she starts this new chapter in her life. Please join us in sending her our best wishes during this special time. We eagerly anticipate meeting the newest addition to her family soon.

Thank you for your continued partnership in your child's education journey.
