A MESSAGE FROM MISS SAWYER

This week, the children had their transition days with their new teacher and classmates. I am delighted to share with you that all the children worked exceptionally well during these days, and their new teachers were thoroughly impressed by their conduct and engagement.

As we approach the end of the academic year, I wanted to give you a heads up that the children's annual reports will be released on 11th July. This timing allows us to carefully incorporate the statutory test results into the relevant reports. The results that will be included are as follows:

- Year 1 Phonics check
- Year 4 MTC (times-tables)
- Year 6 SATS results

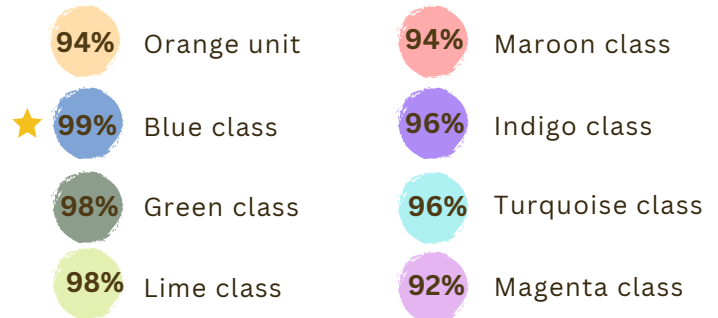

Additionally, the remaining results will be based on Teacher Assessment, ensuring a comprehensive overview of each child's progress throughout the year. I encourage you to review the reports thoroughly and celebrate your child's achievements with them.

If you have any questions or require further clarification about the assessment results please do not hesitate to ask.

GROVEFEST - TONIGHT

This is such an amazing event in the school year which brings together our community. Please come along tonight if you can - there will be lots to do and see and it's also our biggest fundraiser of the year. We have a small and dedicated group of volunteers who organise the PTA events. We want to say a huge thank you to them and also to everyone who volunteers to help on the night. If you haven't volunteered yet and want to just ask on the night, and we always need pairs of hands at the end of the night with the tidy up!

DATES FOR YOUR DIARY
