## A MESSAGE FROM MISS SAWYER

The Year 6 children have successfully completed their residential trip to High Adventure this week. This trip is a fantastic opportunity that all children in Year 6 eagerly anticipate, and it has indeed been a highlight of their final year at primary school.

I am pleased to report that the behaviour of the children during the residential was exemplary. They displayed excellent manners, cooperation, and respect towards the staff and their peers. This positive conduct is a reflection of the great values instilled in them at home, and I applaud both the children and parents for their contributions to making this trip a success.

I would like to extend a huge thank you to the staff members who generously gave up their time to accompany the children on the residential trip. Their dedication and support were instrumental in ensuring the safety and enjoyment of all the children throughout the trip.

As we approach the end of the academic year, with only one more week to go before the summer break, I encourage both parents and children to make the most of this final week. Let's continue to uphold the high standards of behaviour and attitude that have been demonstrated by our Year six role models during the residential trip and throughout the year.

## GROVEFEST - THANK YOU!

We would like to say a huge thank you to the PTA and all the volunteers who made this year's Grovefest a big success. It was such a lovely event which brought the school community together and raised an amazing £2,348 (provisional) to help us buy resources and provide extra experiences for the children. I think we need to give a special thanks to the staff who put themselves forward to go in the stocks!

If you would like to get involved, the PTA are always in need of more volunteers - please look out for the first meeting in September. There are already lots of exciting things in the pipeline!
