## **Wildlife Area**

### **Help needed over summer**

Dear Parents/Carers,

We had a really good session a couple of weeks ago with parents and children clearing the wildlife area. Thank you!

But as we all know, over summer plants and weeds grow very quickly and it can very soon become overgrown again.

If you would be interested in coming along and doing a bit of gardening over the summer we would be happy to give you access to the tools and the area. Please drop me an email if you are interested and we can talk through what needs doing.

Thank you for your support.

Yours sincerely,

Vicky Hearson  
Deputy Head
