Get Ready to Bounce for Chromebooks!

Dear Parents/Carers,

As you know, our annual summer term fundraiser is a highlight of the school year. This year, all funds raised will go towards updating our Chromebooks! We're committed to providing our students with the best possible learning tools, and modern technology is crucial for achieving this.

For our special 2025 fundraising event, we're bringing back a past favourite: a Sponsored Bounce! We held this a few years ago, and the children absolutely loved it.

Here's how it works: children will collect sponsorship for the number of times they can bounce on a bouncy castle within three minutes. Sponsors also have the option to set a maximum donation if they prefer. You'll find sponsor forms at the back of this letter, so your children can start collecting sponsorship.

To make things even more exciting, we'll have prizes! There will be awards for the child in each class who raises the most money and for the child who achieves the most bounces. Plus, every child who takes part will receive a small prize as a thank you.

And the fun doesn't stop there! After completing their bounce challenge, each class will have some free time on the bouncy castles – a well-deserved treat for all their hard work. Our Sponsored Bounce will take place on Tuesday 24th June.

To ensure the day runs smoothly and successfully, we'll need some fantastic parent volunteers. We're looking for adults to help count bounces and assist with overall organisation. If you're able to help with your child's class for a 30-minute slot, please chat with their class teacher. We need eight adults per class to make this event a soaring success!

I truly hope this will be a fun-filled day for all the children, while also helping us raise vital funds to refresh our Chromebooks across the school.

Kind regards,

Jo Sawyer
Headteacher
