A MESSAGE FROM MISS SAWYER

What a fantastic Transition Day we had this week! It was wonderful to see all the children embrace the excitement of moving into their new classes and meeting their new teachers. The children thoroughly enjoyed spending the day with different pupils, fostering new friendships and getting a taste of the adventures that await them next academic year. The classrooms were abuzz with activity and happy chatter, and it was clear that everyone had a fun and engaging day.

The Year Six children also embarked on their own transition day, visiting their respective secondary schools. We're incredibly proud of their growth and achievements during their time with us and wish them all the very best as they embark on this exciting new chapter. They are more than ready for the challenges and opportunities that secondary school will bring. It was a truly positive day for all involved, marking another successful step in our children's educational journey.

SUPPORTING TRANSITIONS- WHAT YOU CAN DO AT HOME.....

Supporting your child through the transition to a new class (or new school) can make a big difference in how confident and comfortable they feel. At home, you can help by talking positively about the change, listening to any worries they may have, and reminding them of times they've successfully tried something new. Keeping a consistent routine helps children feel secure, and reading books/sharing stories about starting a new class can also be helpful. It's important to reassure your child that it's normal to feel nervous and that their teachers are there to help them settle in, sharing your own experiences of starting a new job for example will help normalise the change.
