Year 6 Additional Swimming Lessons

Dear Parents/Carers,

As a school, we understand the significance of water safety and the importance of ensuring our pupils are confident and competent in and around water. As part of the National Curriculum, these objectives are in place to promote the safety and well-being of children, both in school and beyond.

These lessons will be used to assess your child against the National Curriculum objectives for swimming. The objectives include:

- being able to swim confidently over 25 metres.
- using a range of strokes effectively.
- performing safe self-rescue in different water-based situations.

Your child is invited to additional swimming lessons on **Monday 7th July 2025** and **Monday 14th July 2025**. This will take place at Yearsley Swimming Pool in the afternoon. The children will be reassessed during these lessons. There will be no charge for the additional swimming lessons. As these are extra sessions, we will need consent for the two days. Please follow the link below to give consent.

Please send your child with their swimming kits on the above dates.

Many Thanks,

Miss Drake
