Year 6 Swimming

Dear Parents/Carers,

As a school, we understand the significance of water safety and the importance of ensuring our pupils are confident and competent in and around water. As part of the National Curriculum, these objectives are in place to promote the safety and well-being of children, both in school and beyond.

We are pleased to inform you that your child has met the National Curriculum objectives for swimming. The objectives include:

- being able to swim confidently over 25 metres.
- using a range of strokes effectively.
- performing safe self-rescue in different water-based situations.

As a result, your child requires no further swimming lessons at Park Grove.

Many Thanks,

Miss Drake
PE Lead
