A MESSAGE FROM MISS SAWYER

Firstly, a huge thank you to all the parents and carers who attended our meeting for Reception new starters this week. We hope you found the session helpful as your children begin their school journey with us. The children have made a fantastic start and are already settling in beautifully to life in the Rainbow Hub. They are exploring, learning, and making new friends. We are so proud of how well they are adapting.

We are also working behind the scenes to make our curriculum information clearer and more accessible for families. Over the next week, we will be updating the curriculum plans on our school website. These updates will give you a better overview of what your children are learning throughout the year and how you can support their learning at home. Please do take a look once the new plans are uploaded.

Thank you, as always, for your ongoing support. It makes such a difference to your children's experience at school, and we look forward to sharing more exciting learning with you as the term continues.

Reading for pleasure is a crucial part of everything that we do at Park Grove and investing in new books for our children is very important to us. If you are able to, please show your support.
