

17th October 2025

Dear Parents/Guardians,

We are excited to announce that our school's Dance Club will again be participating in this year's **Everybody Dance Festival**, a wonderful event that brings together students from various schools to celebrate creativity, movement, and teamwork through dance.

Participation in the festival is a key part of our Dance Club activities, and they will be learning a routine with the purpose of performing it at the Festival.

The date for the Everybody Dance Festival is **Friday 6th March** - this goes on during the school day and into the evening where there is a performance that parents/guardians can purchase tickets for.

Please note:

If your child is not available to participate in the Everybody Dance Festival, we kindly ask that you do not sign them up for the Dance Club this year. This will help ensure that all members are able to fully take part in practices and the final performance.

The Dance Club will take place each week until the 6th March - so if you are signing your child up for this please keep in mind the club will run for two half terms.

As well as this, media consent is required for the pupils to take part in the festival. By putting your child's name down for the club you are subsequently giving media permission for this event only. This will not affect prior media consent you have given the school.

Once the deadline has passed for signing up to this half terms clubs, pupils who expressed interest in the dance club will be selected at random to ensure fairness. Year 6 pupils who have not yet had the opportunity to partake will be prioritised. You will be contacted if your child has a place in the dance club this year.

Kind regards,

Mrs Szulist and Miss Birch
