Dear Parents and Carers,

Subject: Important Request Regarding Ofsted Parent View

I am writing to you today with an important request regarding your feedback and our school's partnership with you. As you may know, all schools undergo regular inspections by Ofsted, and based on the typical inspection cycle, we anticipate that Park Grove will be inspected in the near future.

A key part of the inspection process is gathering the views of parents and carers, and the primary way this happens is through Ofsted's online survey tool, Parent View. Your feedback is hugely valuable to both us and the inspection team, as it helps provide a complete picture of the school community.

We would be extremely grateful if you could take a few minutes to complete this short, anonymous survey. You can find it at <https://parentview.ofsted.gov.uk/>

We understand that sometimes it can be tempting to only fill in a questionnaire like this if you have a specific concern you want to raise. However, we truly want the school to do well, and if you are currently happy with Park Grove Primary, we would massively appreciate your help and support by sharing your positive views.

The more positive views we can get before the inspection, the more the inspectors will see that our parents are highly engaged and in partnership with the school. This visible support is critical.

Finally, while we welcome all feedback on Parent View, we always encourage any parent who is unhappy about something to approach the school directly in the first instance. Our staff are dedicated to supporting your children, and communicating with us directly allows us to address issues quickly and effectively, ensuring we all continue to move forward together. Thank you in advance for your continued support and for taking the time to complete the survey.

Yours sincerely,

Jo Sawyer
Park Grove Primary Academy
