Dear Parents/Carers,

I am writing to share our school's Behaviour Policy, particularly for new families, and as a reminder for all of our existing families.

Behaviour at Park Grove has continued to get better and better and we are delighted with the progress and attitudes of our amazing children. We always strive to continue to improve and want to ensure that all parents/carers are fully involved by sharing our behaviour policy and adaptations on an annual basis.

Last year, we adapted our behaviour policy with a specific focus on consistency, positive praise, and clear behaviour steps. All of these adaptations were a result of the valuable feedback gathered from our parents/carers, children, and staff.

As part of this, we introduced the three simple school behaviour rules. These are designed to be simple and clear rules that we discuss with the children during positive praise and when discussing behaviour expectations:

Be Safe
Be Respectful
Be Ready to Learn

Thank you for your continued support at Park Grove and please do not hesitate to contact me if you have any questions or queries.

Many thanks,

Mr Rogers
