## A MESSAGE FROM MISS SAWYER

We have some exciting updates to share! Don't forget to follow us on Instagram, it's full of classroom activities, special events, and pupil achievements. You won't want to miss all the great things happening at school.

Please also check your email (and junk folders) as we transition to a new system called Arbor. By downloading the Arbor app, you'll be able to easily book parents' evenings, clubs, and trips, making school communications and bookings much simpler for everyone. Thank you for your continued support - it really makes a difference to our school community!

## PERSONAL DEVELOPMENT

At Park Grove, we believe that education is about much more than just academic success; it is about nurturing the whole child. Personal development is crucial to use and we are dedicated to helping our pupils build the soft skills that will last a lifetime: resilience when facing a challenge, empathy for their peers, and the confidence to express their own unique ideas.

Whether it's through our PSHE lessons, collaborative learning, or simply learning how to resolve a disagreement on the playground, our students are constantly discovering who they are and who they want to become. We are so proud of the kindness and character they show every day.
