A MESSAGE FROM MISS SAWYER

I had the pleasure of meeting with our Student PE Leaders this week, and I continue to be impressed by their maturity and dedication. These students play a vital role in our school community, taking full responsibility for organising our playground equipment and ensuring that break times are active, inclusive, and, most importantly, fun for everyone.

Following the great success we've had with our scooter initiative, the leaders have been brainstorming ways to make play times even better. Based on their brilliant suggestions, we are excited to announce the introduction of our school go-kart! This will be used as a special reward for children who have shown excellent sportsmanship or worked particularly hard at our playground games throughout the week.

It is wonderful to see our PE Leaders taking such a sensible and proactive approach to school improvement. Their leadership not only keeps our playground vibrant but also teaches them invaluable lessons in responsibility and peer support.

MENTAL HEALTH WEEK

Next week is Mental Health Week! At Park Grove Primary Academy, we are dedicated to ensuring every child feels seen, heard, and supported. We invite all our families to join us in making mental health a priority, not just for next week, but for every day. We encourage you to chat with your children about how they are feeling - naming and describing more complex emotions is a key skill in itself. Modelling this to them by talking about how you feel, why and what you might do for yourself to make you feel better helps give them a toolkit for life. Together, we can build a school community where everyone feels safe to speak up.

DATES FOR YOUR DIARY

School closes for half term - Friday 13th February

School opens after half term - Monday 23rd February
