A MESSAGE FROM MISS SAWYER
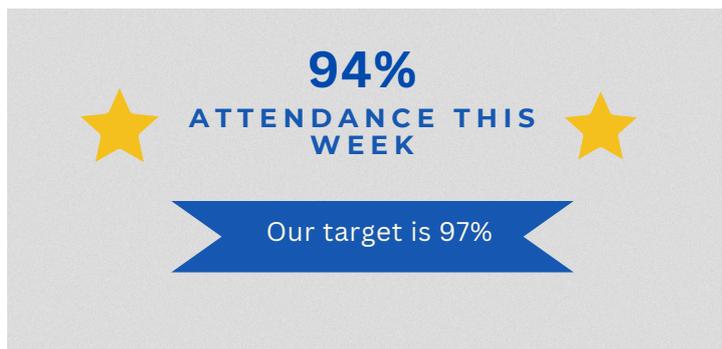

I am delighted to share that we are making fantastic progress with our transition to Arbor, with over 90% of our families now signed up and using the platform. We are incredibly grateful for your support and patience as we get this new system up and running; it has already made a huge difference to our school administration. Please be aware that we have now fully retired Parent Hub, meaning Arbor is now the only way to receive school communications, give consent for trips, and make payments for trips and swimming.

If you haven't yet registered, please do so as soon as possible, as there is no other way to access these essential services going forward. This includes booking your parents' evening slots and signing up for our next round of after-school clubs, which will be managed exclusively through the app. If you are having any technical difficulties or need a hand getting set up, please pop into the school office where our team will be more than happy to help you get connected.

PHONICS STAY AND LEARN SESSIONS

Our phonics 'Stay and Learn' sessions are coming up for all EYFS and Year 1 children, and those working within phase 5 of the phonics program.

There will be the opportunity to observe a phonics teaching session in class and learn more about ways in which you can support your child with their phonics journey.

The sessions are Tuesday 10th March and Thursday 12th March at 9am. If you would like to sign up please complete the google form here: https://forms.gle/xtv6wTkq3Udf7bZq8
